

Case Study: The Law Office of Allen Jacobi

Services Provided: SEO, Social Media, Google Ads, Google My Business Optimization, Website Creation

Client Overview

The Law Office of Allen Jacobi is a Miami-based law firm specializing in entertainment law. The client approached us with the challenge of improving their **online visibility, search rankings, and lead generation** through digital channels.

At the start of our engagement, the website had **serious technical SEO issues**, low authority, and no meaningful search engine presence. Our multi-channel strategy focused on:

- Technical SEO fixes
 - On-page & off-page SEO
 - Local SEO & Google My Business setup
 - Social media branding
 - Google Ads campaigns
 - Website creation & optimization
-

Initial Challenges

When we started, the website faced multiple obstacles:

- **Domain Authority (DA):** 6
- **Spam Score (SS):** 1%

- **Keywords:** Only 2 indexed, none service-related
 - **Website Indexing Blocked:** Pages were not being indexed by Google
 - **Mobile Responsiveness:** The website was not mobile-friendly, even though most traffic came from mobile devices
 - **On-Page SEO Issues:** Missing meta descriptions, missing image alt attributes, no blog section
 - **Backlink Profile:** Existing backlinks were low-quality and no-follow
 - **No Analytics/Tracking:** No proper Google Search Console or Google Analytics connection
 - **Competitors Ranking:** Competitors dominated search engine visibility
-

Strategy & Execution

We implemented a phased approach over 6 months.

Month 1 – Technical SEO Foundation

- Fixed Google indexing issue & manually reindexed pages
- Set up Google Search Console & Google Analytics
- Created **robots.txt** & **XML sitemap** and submitted to Google & Bing
- Performed backlink audit → identified & disavowed 30+ broken/toxic links
- Local SEO setup: Google My Business, Bing Places, Yelp profile
- Competitor & keyword research
- 20 local listings + 13 profile creations

Results:

- Website indexing issue resolved
 - Connected to search engines for tracking
 - 139 clicks, 1400 page views (no old data available for comparison)
 - DA improved from 6 → 11
-

Month 2 – On-Page SEO Optimization

- Optimized meta titles, descriptions, and internal linking
- Keyword targeting for entertainment law in Miami
- Continued local SEO & backlinking
- Added structured sitemap & improved website crawlability

Results:

- DA improved from 11 → 12
 - Keywords increased from 1 → 20
 - 110 clicks & 1.78k impressions (up from 5 clicks, 38 impressions in January)
 - Google Analytics: 1k clicks, 1.5k page views
-

Month 3 – Content & Traffic Growth

- Published SEO-friendly content pages & optimized service pages
- Strengthened internal linking
- Continued backlink outreach

Results:

- DA improved from 12 → 13
 - 103 clicks, 1.93k impressions on Google
 - Google Analytics: 2.5k clicks, 2.4k page views
-

Month 4 – Consistency & Monitoring

- Refined on-page SEO
- Reduced onsite spam & ensured clean crawlability
- Maintained backlink strategy

Results:

- DA stable at 13
 - 94 clicks, 1.7k impressions (slight dip due to spam cleanup)
 - 1.3k clicks & 1.6k page views
-

Month 5 – Growth & Quality Traffic

- Improved targeting for U.S.-based traffic
- Optimized Google Ads campaigns for conversions
- Continued local SEO strengthening
